Subject: **Transfer to Operation Phase**
Project Name: Barton Farms - Littoral Zone Modification
Permit No.: 44009834.005
Compliance No.: 381395
County: Sarasota

Dear Mr. Amerine:

The request to transfer the subject permit to the operation phase and transfer assignment has been approved. District staff have reviewed the submitted information and determined that the stormwater management system was in compliance at the time of our inspection. The District reserves the right to inspect the project in the future to ensure continued compliance with state law and District rules.

The permit, approved drawings and other documents may be available for viewing through the District's Application and Permit Search Tools at <http://watermatters.org/wmiserp> or you may obtain copies from the Sarasota Service Office for a fee.

As outlined in Subsection 40D-4.351(1)(a), "A Permittee shall notify the District within 30 days of any sale, conveyance or any other transfer for a permitted surface water management system or the real property at which the system is located." The transfer request must be reported to the District on grandfathered form Notification and Request for Transfer of Environmental Resource Permit available on the District's website, <http://www.watermatters.org/permits/erp>.

If you have questions, please contact Daniel M. Golus, P.E., at the Sarasota Service Office.

Sincerely,

Michelle K. Hopkins, P.E.
