

*Amendment
To The
Barton Farms Development Standards and Architectural Criteria*

Section 2, Paragraph 2.15 regarding the required screening of air conditioning equipment and pool equipment shall be amended as follows:

Decorative masonry enclosures are desirable and the provision for screening by landscaping is only acceptable as approved on a case-by-case basis.

Also, Section 4, Paragraph 4.05 regarding landscaping requirements is hereby amended to be:

The perimeter landscaping i.e., hedges will be required on the front and both sides with the rear being optional.

Signed this 9th day of November, 2000:

Barton Farms, Inc.

Rex S. Horton, President
