When was the activity first observed?

Is this the first time you have contacted the District regarding your concern? Yes No

If yes, have you contacted any other agency regarding your concern? Yes No

What is the land use where activity is taking place or adversely impacting?

Complaint Associated With:

- District-owned property concerning:
 - Maintenance or control of aquatic plants
 - Prescribed burns
 - Recreation, land use or security
 - Water body is controlled by a District-owned structure

What is the name of the water body?

Not District-owned property concerning:

- Water runoff or Drainage
- Flooding, standing or rising water
 - Water body is controlled by a non District-owned structure

What is the name of the water body?

Pumping
If yes, when did it start?

Activity taking place in wetlands

Construction of a water well

Unpermitted Construction Other

Latitude: Longitude:

Nature of Complaint/Activity:

The complainant states that there is a shallow sand bar that cuts across permitted wet detention pond (Lake 5) directly behind her property. It appears that this area was originally to be utilized as a temporary construction easement. The water levels in the wet detention pond have been consistently below the normal water level line, exposing the sand bar area still remaining post-construction.

Location and Directions:

Located south of the intersection of Barton Farms Boulevard and Bravura Lake Drive in Sarasota, FL 34240
